

# Outsmarting the SAT: A Comprehensive Guide by Elizabeth King

The SAT, or Scholastic Aptitude Test, is one of the most important standardized exams for high school students in the United States. It is used by many colleges and universities as a measure of academic achievement and potential for success in college. As such, it is imperative for students to do well on the SAT if they want to gain admission to their dream schools.

However, the SAT can be a daunting exam, and many students struggle to achieve the score they need. This is where Elizabeth King's book, *Outsmarting the SAT*, comes in. This comprehensive guide provides students with everything they need to know to prepare for the SAT and achieve their target score.

## What's Inside Outsmarting the SAT?

*Outsmarting the SAT* is divided into three parts:

1. **The SAT Basics:** This section provides an overview of the SAT, including the different sections of the exam, the scoring system, and the timing. It also includes tips on how to register for the SAT and how to prepare for test day.
2. **The SAT Strategies:** This section provides students with a variety of strategies for answering each type of question on the SAT. These strategies are based on Elizabeth King's years of experience teaching SAT prep courses, and they have been proven to help students improve their scores.
3. **The SAT Practice Tests:** This section includes six full-length SAT practice tests. These tests are designed to give students a realistic idea of what the SAT will be like, and they can help students identify areas where they need to improve their preparation.

## Why Outsmarting the SAT Is the Best SAT Prep Book

There are many reasons why *Outsmarting the SAT* is the best SAT prep book on the market:

- **It is written by an expert.** Elizabeth King is a leading SAT prep expert with over 20 years of experience. She has helped thousands of students achieve their target SAT scores, and she knows what it takes to succeed on the exam.
- **It is comprehensive.** *Outsmarting the SAT* covers everything students need to know to prepare for the SAT, from the basics of the exam to the most advanced strategies for answering questions.
- **It is effective.** The strategies in *Outsmarting the SAT* have been proven to help students improve their scores. In fact, many students

who have used this book have seen their scores increase by 100 points or more.
