

Workbook for Atlas of the Heart: The Illustrated Guide to the Human Experience in 113 Essential Words

The Workbook for Atlas of the Heart is an invaluable companion to the bestselling book, *Atlas of the Heart*. It offers a practical and interactive guide to exploring and understanding the full range of human emotions. Through a series of engaging exercises, reflections, and journaling prompts, this workbook helps readers develop emotional intelligence, build resilience, and foster deeper connections with themselves and others.

The workbook is organized into 113 essential words, each of which represents a different emotion. These words are arranged alphabetically, from "abandonment" to "wonder." For each word, the workbook provides a definition, a brief explanation of how the emotion manifests itself, and a series of exercises to help readers explore and understand their own experiences with that emotion.
